

CANCON17

8-12 March 2027, Grande Roche Hotel, Paarl, South Africa

CANCON17 will be hosted in South Africa in March 2027 bringing together representatives from leading canned fruit-producing countries around the world. The event provides a valuable platform for international industry leaders, producers, processors, and industry organisations to share market intelligence, discuss common challenges, explore emerging opportunities, and strengthen global collaboration.

The programme will include country industry updates, strategic discussions on the future of the canned fruit sector, networking opportunities, and technical visits showcasing South Africa's canning fruit industry.
